LS 6421

BILL NUMBER: HB 1290

NOTE PREPARED: Dec 11, 2002

BILL AMENDED:

SUBJECT: Renting Materials Harmful to Minors.

FIRST AUTHOR: Rep. Kruse

FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: ☒ GENERAL
☒ DEDICATED
☐ FEDERAL

IMPACT: State & Local

Summary of Legislation: The bill makes it a Class D felony to rent or display for rent matter that is harmful to minors within 500 feet of a school or church.

Effective Date: July 1, 2003.

Explanation of State Expenditures: There are no data available to indicate how many additional people may be convicted of a Class D felony for renting or displaying for rent obscene material within 500 feet of a school or church. Under current law, sales or displays for sale of obscene material within 500 feet of a school or church is a Class D felony.

A Class D felony is punishable by a prison term ranging from six months to three years or reduction to Class A misdemeanor depending upon mitigating and aggravating circumstances. The average expenditure to house an adult offender was \$25,087 in FY 2001. Individual facility expenditures ranged from \$18,520 to \$54,465. (This does not include the cost of new construction.) If offenders can be housed in existing facilities with no additional staff, the average cost for medical care, food, and clothing is approximately \$1,825 annually, or \$5 daily, per prisoner. The average length of stay in Department of Correction (DOC) facilities for all Class D felony offenders is approximately ten months.

Explanation of State Revenues: If additional court cases occur and fines are collected, revenue to both the Common School Fund and the state General Fund would increase. The maximum fine for a Class D felony is \$10,000. Criminal fines are deposited in the Common School Fund. If the case is filed in a circuit, superior, or county court, 70% of the \$120 court fee that is assessed and collected when a guilty verdict is entered would be deposited in the state General Fund. If the case is filed in a city or town court, 55% of the fee would

be deposited in the state General Fund.

Explanation of Local Expenditures: If more defendants are detained in county jails prior to their court hearings, local expenditures for jail operations may increase. The average cost per day is approximately \$44.

Explanation of Local Revenues: If additional court actions occur and a guilty verdict is entered, local governments would receive revenue from the following sources: (1) The county general fund would receive 27% of the \$120 court fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. (2) A \$3 fee would be assessed and, if collected, would be deposited into the county law enforcement continuing education fund. (3) A \$2 jury fee is assessed and, if collected, would be deposited into the county user fee fund to supplement the compensation of jury members.

State Agencies Affected: Department of Correction.

Local Agencies Affected: Trial courts, local law enforcement agencies.
